Open Road West Norfolk Coronavirus Statement

Open Road recognises that staff, young people, volunteers and visitors will have concerns about the ongoing coronavirus outbreak.

It is our top priority to ensure the safety and wellbeing of our staff, young people, volunteers and visitors.

We encourage everyone to follow advice around practising excellent hand hygiene. We also ask that you please do not attend the centre if you have a high temperature or have developed a new dry cough.

We continue to operate "business as usual" and all teaching will go ahead as planned.

This is a fast-moving situation and are keeping abreast of developments to ensure we have the most up to date information. Should things develop further plans and protocols will be actioned to manage the evolving situation.

We are ready to adjust our response as needed depending on the changing situation and will inform everyone via social media and emails where appropriate.

Thank you.
